

## TEAM BUILDERS

Team Builders is a program designed especially for corporate and civic groups to come together for a day of team building and home building with Habitat for Humanity. The combination of volunteer hours and a financial donation doubles your group's impact toward our mission of providing affordable homeownership opportunities in the Bucks County.

By the end of a Team Builders day, your group will be connected with each other and with the community in a truly unique way. The satisfaction that comes from working with your hands will leave your group motivated and exhilarated.
